

**SING ALONG** with *Susie Q*

A blue treble clef is positioned at the start of a yellow musical staff that curves upwards. Several yellow eighth notes are placed along the staff.

**70s**   
**Sizzle**

The text '70s Sizzle' is rendered in a large, yellow, outlined, bubbly font. Small yellow starburst icons are scattered around the letters. To the right of the '70s' is a black and white grid disco ball with yellow starbursts around it.

## ***Raindrops Keep Fallin' On My Head***

Raindrops keep fallin' on my head  
And just like the guy whose feet are too big for his bed  
Nothin' seems to fit  
Those raindrops are fallin' on my head  
They keep fallin'.

So I just did me some talkin' to the sun  
And I said I didn't like the way he got things done  
Sleepin' on the job  
Those raindrops are fallin' on my head  
They keep fallin'.

But there's one thing I know  
The blues they send to meet me won't defeat me  
It won't be long till happiness steps up to greet me.

Raindrops keep fallin' on my head  
But that doesn't mean my eyes  
Will soon be turnin' red, cryin's not for me  
'Cause I'm never gonna stop the rain by complainin'  
Because I'm free, nothin's worryin' me.

*Repeat*

## ***I'd Like to Teach the World to Sing***

I'd like to build the world a home  
And furnish it with love  
Grow apple trees and honey bees  
And snow white turtle doves.

I'd like to teach the world to sing  
In perfect harmony  
I'd like to hold it in my arms  
And keep it company.

I'd like to see the world for once  
All standing hand in hand  
And hear them echo through the hills  
For peace throughout the land.

That's the song I hear  
What the world needs today  
And hear them echo through the hills  
For peace throughout the land.

*Repeat*

## ***Bad, Bad Leroy Brown***

On the south side of Chicago  
Is the baddest part of town  
If you go down there  
Well, you better beware  
Of a man named Leroy Brown.

Well, Leroy's more than trouble  
You see he stand 'bout six foot four  
All the downtown ladies call him "Treetop Lover"  
All the men just call him "Sir".

### *Chorus*

And he's bad, bad Leroy Brown  
Baddest man in the whole dang town  
Badder than old King Kong  
And meaner than a junkyard dog.

Well Leroy he a gambler  
And he likes his fancy clothes  
He likes to wave his diamond ring  
In front of everybody's nose.

He got a custom Continental  
He got an Eldorado too  
He got a 32 gun in his pocket for fun  
He got a razor blade in his shoe.

*Chorus*

Well Friday 'bout a week ago  
Leroy shootin' dice  
At the edge of the bar  
Sat a girl named Doris  
And “oo” she sure looked nice.

Well he cast his eyes upon her  
And the trouble soon began  
Old Leroy Brown, he learned a lesson  
'Bout a-messin' with the wife of a jealous man.

*Chorus*

Well the two men took to fighting  
And they pulled them from the floor  
Leroy looked like a jigsaw puzzle  
With a couple of pieces gone.

*Repeat chorus twice then repeat last line*

## ***Take Me Home, Country Roads***

Almost heaven, West Virginia  
Blue Ridge Mountain, Shenandoah River  
Life is old there, older than the trees  
Younger than the mountains, blowin' like a breeze.

Country roads, take me home  
To the place I belong  
West Virginia, Mountain mamma  
Take me home, country roads.

All my memories, gather round her  
Miner's lady, stranger to blue water  
Dark and dusty, painted on the sky  
Misty taste of moonshine, teardrops in my eye.

Country roads, take me home  
To the place I belong  
West Virginia, Mountain mamma  
Take me home, country roads.

I hear her voice in the morning hour she calls me  
Her radio reminds me of my home far away  
Driving down the road I get a feeling  
That I should have been home yesterday, yesterday.

Country roads, take me home  
To the place I belong  
West Virginia, Mountain mamma  
Take me home, country roads. *Repeat last line*

## ***Knock Three Times***

Hey girl, what ya doin' down there?  
Dancin' alone every night  
While I live right above you  
I can hear your music playin'  
I can feel your body swayin'  
One floor below me  
You don't even know me, I love you.

### *Chorus*

Oh, my darling, knock three times  
On the ceiling if you want me  
Twice on the pipe  
If the answer is no  
Oh, my sweetness (*knock, knock, knock*)  
Means you'll meet me in the hallway  
Twice on the pipe  
Means you ain't gonna show.

If you look out your window tonight  
Movin' a string with the note  
That's attached to my heart  
Read how many times I saw you  
How in the limelight I adored you  
And only in my dreams did  
That wall between us come apart.

*Repeat chorus twice*

## ***Ob La Di, Ob La Da***

Desmond had a barrow in the marketplace  
Molly is the singer in a band  
Desmond says to Molly "girl I like your face"  
And Molly says this as she takes him by the hand.

### *Chorus*

Ob-la-di, ob-la-da life goes on, hey!  
La-la how the life goes on  
Ob-la-di, ob-la-da life goes on, hey!  
La-la how the life goes on.

Desmond takes a trolley to the jeweller's store  
Buys a twenty carat golden ring  
Takes it back to Molly waiting at the door  
And as he gives it to her she begins to sing. *Chorus*

In a couple of years they'll have built  
A home sweet home  
With a couple of kids playing in the yard  
Of Desmond and Molly Jones, ha ha.

Happy ever after in the marketplace  
Desmond lets the children lend a hand  
Molly stays at home and does her pretty face  
And in the evening she's still singing in the band. *Chorus*  
If you like to sing this song, sing ob-la-dee-la-da. Hey!

## ***Sing a Song***

Sing, sing a song  
Sing out loud  
Sing out strong  
Sing of good things not bad  
Sing of happy not sad.

Sing, sing a song  
Make it simple to last  
Your whole life long  
Don't worry if it's not  
Good enough for anyone  
Else to hear  
Just sing, sing a song.

*Repeat*

La, la, la...

## **Sweet Caroline**

Where it began, I can't begin to knowin'  
But then I know it's growing strong  
Was in the spring, and spring became the summer  
Who'd have believed you'd come along.

Hands, touchin' hands  
Reachin' out, touchin' me, touchin' you.

Sweet Caroline, good times never seemed so good  
I've been inclined, to believe they never would  
But now I...

Look at the night, it don't seem so lonely  
We fill it up with only two  
And when I hurt, hurtin' runs off my shoulders  
How can I hurt when holding you?

Warm, touchin' warm, reachin' out, touchin' you  
Touchin' me.

Sweet Caroline, good times never seemed so good  
I've been inclined, to believe they never would *Repeat*

Sweet Caroline.

***(I Never Promised You a) Rose Garden***

I beg your pardon, I never promised you a rose garden  
Along with the sunshine  
There's gotta be a little rain sometime  
When you take you gotta give so live and let live  
and let go oh oh oh oh  
I beg your pardon, I never promised you a rose garden.

Well I could promise you things like big diamond rings  
But you don't find roses growin' on stalks of clover  
So you better think it over  
Well, if sweet talking you could make it come true  
I would give you the world right now on a silver platter  
Ah, but what would it matter.

So smile for a while and let's be jolly  
Love shouldn't be so melancholy  
Come along and share the good times while we can.

I beg your pardon, I never promised you a rose garden  
Along with the sunshine  
There's gotta be a little rain sometime.

*Piano break*

I beg your pardon, I never promised you a rose garden.

I could sing you a tune and promise you the moon  
But if that's what it takes to hold you  
I'd just as soon let you go  
But there's one thing I want you to know  
You'd better look before you leap, still waters run deep  
And there won't always be someone there to pull you out  
And you know what I'm talking about.

So smile for a while and let's be jolly  
Love shouldn't be so melancholy  
Come along and share the good times while we can.

I beg your pardon, I never promised you a rose garden  
Along with the sunshine  
There's gotta be a little rain sometime.

I beg your pardon, I never promised you a rose garden  
I beg your pardon, there's gotta be a little rain sometime  
I beg your pardon, I never promised you a rose garden.

## ***Paper Roses***

I realize the way your eyes deceived me  
With tender looks that I mistook for love  
So take away the flowers that you gave me  
And send the kind that you remind me of.

Paper roses, paper roses  
Oh how real those roses seem to be  
But they're only imitation of your imitation love for me.

I thought that you would be a perfect lover  
You seemed so full of sweetness from the start  
But like a big red rose that's made of paper  
There isn't any sweetness in your heart.

Paper roses, paper roses  
Oh how real those roses seem to be  
But they're only imitation of your imitation love for me  
Of your imitation love for me.

## ***Those Were the Days***

Once upon a time there was a tavern  
Where we used to raise a glass or two  
Remember how we laughed away the hours  
And dreamed of all the good things we would do.

Those were the days my friend  
We thought they'd never end  
We'd sing and dance forever and a day  
We'd live the life we choose  
We'd fight and never lose  
For we were young and sure to have our way.  
La la la la...

Then the busy years went rushing by us  
We lost our starry notions on the way  
And if by chance I'd see you in the tavern  
We'd smile at one another and we'd say.

Those were the days my friend  
We thought they'd never end  
We'd sing and dance forever and a day  
We'd live the life we choose  
We'd fight and never lose  
For we were young and sure to have our way.  
La la la la...

Those were the days, oh yes, those were the days!

## ***The Candy Man***

Who can take a sunrise (*who can take a sunrise*)  
Sprinkle it with dew (*sprinkle it with dew*)  
Cover it with chocolate and a miracle or two  
The Candy Man, oh the Candy Man can  
The Candy Man can 'cause he mixes it with love and Makes  
the world taste good (*the world taste good*).

Who can take a rainbow, wrap it in a sigh (*wrap it in a sigh*)  
Soak it in the sun and make a groovy lemon pie  
The Candy Man, (*the Candy Man can*)  
The Candy Man can 'cause he mixes it with love and Makes  
the world taste good (*the world taste good*).

### *Chorus*

The Candy Man makes everything he bakes  
Satisfying and delicious, talk about your childhood wishes  
You can even eat the dishes.

Who can take tomorrow (*who can take tomorrow*)  
Dip it in a dream (*dip in a dream*)  
Separate the sorrow and collect up all the cream  
The Candy Man, oh the Candy Man can  
The Candy Man can 'cause he mixes it with love and  
Makes the world taste good (*the world taste good*). *Chorus*

The world tastes good 'cause the Candy Man thinks it  
should.

## ***Delilah***

I saw the light on the night that I passed by her window  
I saw the flickering shadows of love on her blind  
She was my woman  
As she deceived me I watched and went out of my mind.

My, my, my, Delilah  
Why, why, why, Delilah  
I could see that that girl was no good for me  
But I was lost like a slave that no man could free.

At break of dawn when that man drove away  
I was waiting  
I crossed the street to her house, she opened the door  
She stood there laughing  
I felt the knife in my hand and she laughed no more.

My, my, my Delilah  
Why, why, why Delilah  
So before they come to break down my door  
Forgive me Delilah, I just couldn't take any more.

My, my, my Delilah  
Why, why, why Delilah  
I could see that that girl was no good for me  
But I was lost like a slave that no man could free  
So forgive me Delilah, I just couldn't take any more.

## ***Tie a Yellow Ribbon 'Round the Ole Oak Tree***

I'm comin' home, I've done my time  
Now I've got to know what is and isn't mine  
If you receive my letter tellin' you I'd soon be free  
Then you'll know just what to do if you still want me  
That's if you still want me.

### *Chorus*

Tie a yellow ribbon 'round the old oak tree  
It's been three long years, do you still want me?  
If I don't see a ribbon round the old oak tree  
I'll stay on the bus, forget about us  
Put the blame on me  
If I don't see a yellow ribbon round the old oak tree.

Bus driver, please look for me  
'Cause I couldn't bear to see what I might see  
I'm really still in prison, though my love she holds the key  
A simple yellow ribbon's all I need to set me free  
I wrote and told her please.

### *Chorus*

Now the whole dang bus is cheerin'  
And I can't believe I see  
A hundred yellow ribbons 'round the old, the old oak tree.

## ***There's a Kind of Hush***

### *Chorus*

There's a kind of hush  
All over the world tonight  
All over the world  
You can hear the sound of lovers in love  
You know what I mean.

Just the two of us  
And nobody else in sight  
There's nobody else and I'm feeling so good  
Just holding you tight.

So listen very carefully  
Get closer now and you will see what I mean  
It isn't a dream.

The only sound that you will hear  
Is when I whisper in your ear I love you  
Forever and ever.

There's a kind of hush  
All over the world tonight  
All over the world  
People just like us are falling in love.

### *Repeat*

## ***We'll Meet Again***

We'll meet again  
Don't know where, don't know when  
But I know we'll meet again, some sunny day.

So just keep shining through  
Just like you always do  
Till the blue skies drive the dark clouds, far away.

And won't you please say hello  
To the folks that I know  
Tell them I won't be long  
They'll be happy to know that when you saw me go  
I was singing a song.

We'll meet again  
Don't know where, don't know when  
But I know we'll meet again, some sunny day  
Oh yes I know we'll meet again, some sunny day  
Oh yes, I hope we meet again, some sunny day.
