

 SING ALONG with Susie Q

 IN THE MOOD

[www.singalongwithsusieq.com](http://www.singalongwithsusieq.com)

***When the Red, Red Robin (Comes Bob, Bob, Bobbin' Along)***

When the red red robin comes  
Bob bob bobbin' along, along  
There'll be no more sobbin' when he starts throbbin'  
His old sweet song  
Wake up, wake up you sleepyhead  
Get up, get up, get out of bed  
Cheer up, cheer up the sun is red  
Live, love, laugh and be happy.

Why am I so blue  
Now I'm walkin' through fields of flowers  
Rain may glisten but I still listen for hours and hours  
I'm just a kid again doin' what I did again singin' a song  
When the red red robin comes bob bob bobbin' along.

## ***A Bushel and a Peck***

I love you a bushel and a peck  
A bushel and a peck and a hug around the neck  
A hug around the neck and a barrel and a heap  
A barrel and a heap and I'm talkin' in my sleep  
About you, about you  
'Cause I love you a bushel and a peck  
You bet your purdy neck I do.  
I doodle-oodle-do-do  
I doodle-oodle-do-do  
I doodle-oo-do-do-do-do.

I love you a bushel and a peck  
A bushel and a peck though you make my heart a wreck  
You make my heart a wreck and you make my life a mess  
You make my life a mess, yes a mess of happiness  
About you, about you  
'Cause I love you a bushel and a peck  
You bet your purdy neck I do.

I doodle-oodle-do-do  
I doodle-oodle-do-do  
I doodle-oo-do-do-do-do.

## ***If I Knew You Were Comin' I'd've Baked a Cake***

*Spoken:* Come in! Well, well, well. Look who's here  
I haven't seen you in many a year!

If I knew you were comin' I'd've baked a cake  
Baked a cake, baked a cake  
If I knew you were comin' I'd've baked a cake  
Howdya do, howdya do, howdya do?

Had you dropped me a letter I'd a-hired a band  
The grandest band in the land  
Had you dropped me a letter I'd a-hired a band  
And spread the welcome mat for you.

Well, I don't know where you came from  
'Cause I don't know where you've been  
But it really doesn't matter  
Grab a chair and fill your platter  
And dig, dig, dig right in.

If I knew you were comin' I'd've baked a cake  
Hired a band, for goodness sake!  
If I knew you were comin' I'd've baked a cake  
Howdya do, howdya do, howdya do?  
Howdya do, howdya do, howdya do?

## ***Catch A Falling Star***

Catch a falling star and put it in your pocket  
Never let it fade away  
Catch a falling star and put it in your pocket  
Save it for a rainy day.

For love may come and tap you on the shoulder  
Some starless night  
And just in case you feel you want to hold her  
You'll have a pocketful of starlight.

Catch a falling star and put it in your pocket  
Never let it fade away  
Catch a falling star and put it in your pocket  
Save it for a rainy day.

For when your troubles start multiplyin'  
And they just might  
It's easy to forget them without tryin'  
With just a pocketful of starlight.

## ***Standing on the Corner***

Standing on the corner watching all the girls go by  
Standing on the corner givin' all the girls the eye  
Brother you don't know a nicer occupation  
As a matter of fact, neither do I  
Than standing on a corner watching all the girls  
Watching all the girls, watching all the girls go by.

Standing on the corner watching all the girls go by  
Standing on the corner givin' all the girls the eye  
Brother if you've got a vivid imagination  
Then give it a whirl, give it a try  
Try standing on the corner watching all the girls  
Watching all the girls, watching all the girls go by.

Standing on the corner watching all the girls go by  
Standing on the corner underneath the springtime sky  
Brother you can't go to jail for what you're thinking  
Or for that "woo" look in your eye  
You're just standing on the corner watching all the girls  
Watching all the girls, watching all the girls go by.

## ***Till I Waltz Again***

Till I waltz again with you  
Let no other hold your charm  
If my dreams should all come true  
You'll be waiting for my arms  
Till I kiss you once again  
Keep my love locked in your heart  
Darling, I'll return and then  
We will never have to part.

Though it may break your heart and mine  
The minute that it's time to go  
Remember Dear, each word divine  
Meant I love you so.

Till I waltz again with you  
Just the way you are tonight  
I will keep my promise true  
For you are my guiding light  
Till I waltz again with you  
Keep my love locked in your heart  
Darling, I'll return and then  
We will never have to part.

Darling, I'll return and then  
We will never have to part.

## ***In the Mood***

Who's the lovin' daddy with the beautiful eyes  
What a pair o' shoes, I'd like to try 'em for size  
I'll just tell him, "Baby, won't you swing it with me"  
Hope he tells me maybe, what a wing it would be  
So, I said politely "Darlin' may I intrude"  
He said "Don't keep me waitin' when I'm in the mood."

First I held him lightly then we started to dance  
Then I held him tightly what a dreamy romance  
And I said "Hey, baby, it's a quarter to three  
There's a mess of moonlight, won't-cha share it with me"  
"Well" he answered "Baby, don't ya know that it's rude  
To keep my two lips waitin' when they're in the mood."

In the mood, that's what he told me  
In the mood, and when he told me  
In the mood, my heart was skippin'  
It didn't take me long to say "I'm in the mood now."

In the mood for all his kissin'  
In the mood his crazy lovin'  
In the mood what was I was missin'  
It didn't take me long to say "I'm in the mood now."

*Repeat*

## ***Mairzy Doats***

Mairzy doats and dozy doats  
And liddle lamzy divey  
A kiddley divey too, wouldn't you?

Mairzy doats and dozy doats  
And liddle lamzy divey  
A kiddley divey too, wouldn't you?

If the words sound queer and funny to your ear  
A little bit jumbled and jivey  
Sing "Mares eat oats and does eat oats  
And little lambs eat ivy."

Oh! mairzy doats and dozy doats  
And liddle lamzy divey  
A kiddley divey too, wouldn't you - oo?  
A kiddley divey too, wouldn't you?

*Repeat*

## ***I Believe***

I believe for every drop of rain that falls  
A flower grows  
I believe that somewhere in the darkest night  
A candle glows  
I believe for everyone who goes astray  
someone will come  
To show the way  
I believe, I believe.

I believe above the storm a smallest prayer  
Can still be heard  
I believe that someone in the great somewhere  
Hears every word.

Every time I hear a new born baby cry  
Or touch a leaf or see the sky  
Then I know why, I believe.

Everytime I hear a new born baby cry  
Or touch a leaf or see the sky  
Then I know why, I believe.

## ***Music! Music! Music!***

Put another nickel in  
In the nickelodeon  
All I want is loving you  
And Music, Music, Music!

I'll do anything for you  
Anything you want me to  
All I want is kissing you  
And Music! Music! Music!

Closer, my dear, come closer  
The perfect part of every melody  
Is when you're dancing close to me.

So, put another nickel in  
In the nickelodeon  
All I want is loving you  
And Music! Music! Music!

*Repeat*

## ***Mr. Sandman***

Bum-Bum-Bum ...

Mr. Sandman, bring me a dream  
Make him the cutest that I've ever seen  
Give him two lips like roses and clover  
And tell him that his lonesome nights are over  
Sandman, I'm so alone  
Don't need nobody to call my own  
Please turn on your magic beams  
Mr. Sandman, bring me a dream.

Bum, Bum, Bum ...

Mr. Sandman, bring me a dream  
Make him the cutest that I've ever seen  
Give him two lips like roses and clover  
And tell him that his lonesome nights are over  
Sandman, I'm so alone  
Don't need nobody to call my own  
Please turn on your magic beams  
Mr. Sandman, bring me a dream  
Please, please bring me  
Mr. Sandman, bring me a dream.

## ***Anniversary Song***

Oh, how we danced  
On the night we were wed  
We vowed our true love  
Though a word wasn't said  
The world was in bloom  
There were stars in the skies  
Except for the few  
That were there in your eyes.

### *Chorus*

Dear, as I held you close in my arms  
Angels were singing a hymn to your charms  
Two hearts gently beating murmuring low  
"Darling, I love you so."

The night seemed to fade  
Into blossoming dawn  
The sun shone anew  
But the dance lingered on.  
Could we but recall  
That sweet moment sublime  
We'd find that our love isn't altered by time.

### *Chorus*

## ***Chatanooga Shoe-Shine Boy***

Have you ever passed the corner of Fourth and Grand?  
Where a little ball o' rhythm has a shoe-shine stand  
People gather 'round and they clap their hands  
He's a great big bundle o' joy  
He pops the boogie woogie rag  
The Chattanooga shoe-shine boy.

He charges you a nickel just to shine one shoe  
He makes the oldest kind o' leather look brand new  
You feel as though you wanna dance when he gets through  
He's a great big bundle o' joy  
He pops the boogie woogie rag  
The Chattanooga shoe-shine boy.

It's a wonder that the rag don't tear  
The way he makes it pop  
You ought to see him fan the air  
With his hoppity-hippity-hippity-hippity-hoppity-hippity-hop.

He opens up for business when the clock strikes nine  
He likes to get up early when they're feelin' fine  
Everybody likes a little rise 'n shine  
With the great big bundle o' joy  
He pops the boogie woogie rag  
The Chattanooga shoe-shine boy.

*Piano Interlude*

## ***Darktown Strutter's Ball***

I'll be there to get you in a taxi, honey  
You better be ready about half past eight  
Now baby, don't be late  
I want to be there when the band starts playing  
Remember when we get there, honey  
The two-step I'm goin' to have 'em all  
I'm gonna dance out both of my shoes  
When they play those "Jelly Roll Blues"  
Tomorrow night at the Darktown Strutter's Ball.

## ***Danny Boy***

Oh, Danny boy, the pipes, the pipes are calling  
From glen to glen and down the mountain side  
The summer's gone and all the roses falling  
It's you, it's you, must go and I must bide.

But come ye back when summer's in the meadow  
And all the valley's hushed and white with snow  
It's I'll be here in sunshine or in shadow  
Oh, Danny boy, oh, Danny boy, I love you so.

But when ye come and all the flowers are dying  
If I am dead and dead as I may be  
You'll come and find the place where I am lying  
And kneel and say an 'Ave' there for me.

And I shall hear tho' soft you tread above me  
And on my grave will warmer, sweeter be  
And you will bend and tell me that you love me  
And I shall sleep in peace until you come to me.

## ***Mockingbird Hill***

When the sun in the morning peeps over the hill  
And kisses the roses 'round my window sill  
Then my heart fills with gladness as I hear the trill  
Of the birds in the treetops on Mockingbird Hill.

Tra la la, tweedle dee dee  
It gives me a thrill  
To wake up in the morning  
To the mockingbird's trill  
Tra la la tweedle dee dee  
There's peace and good will  
You're welcome as the flowers  
On Mockingbird Hill.

Got a three-cornered plow and an acre to till  
And a mule that I bought for a ten-dollar bill  
There's a tumble-down shack and a rusty old mill  
But it's my Home Sweet Home up on Mockingbird Hill.

### *Chorus*

When it's late in the evening I climb up the hill  
And survey all my 'roundings while everything's still  
Only me and the sky and an old whippoorwill  
Singin' songs in the twilight on Mockingbird Hill.

## ***Jingle Jangle Jingle***

I've got spurs that jingle, jangle, jingle  
As I go ridin' merrily along  
And they sing, 'Oh ain't you glad you're single  
And that song ain't so very far from wrong.

Oh, Lily Bell, oh, Lily Bell  
Though I may have done some foolin, this is why I never fell.

I've got spurs that jingle, jangle, jingle  
As I go ridin' merrily along  
And they sing, 'Oh ain't you glad you're single'  
And that song ain't so very far from wrong.

Oh, Mary Ann, oh, Mary Ann  
Though I've done some moonlight walking  
This is why I up and went.

I've got spurs that jingle, jangle, jingle  
As I go ridin' merrily along  
And they sing, 'Oh ain't you glad you're single'  
And that song ain't so very far from wrong.

Oh, Sally Jane, oh, Sally Jane  
Though I'd love to stay forever this is why I can't remain.

I've got spurs that jingle, jangle, jingle  
As I go ridin' merrily along  
And they sing, 'Oh ain't you glad, you're single'  
And that song ain't so very far from wrong  
No that song ain't so very far from wrong.

## ***I'm Forever Blowing Bubbles***

I'm forever blowing bubbles  
Pretty bubbles in the air  
They fly so high, nearly reach the sky  
Then like my dreams they fade and die  
Fortune's always hiding  
I've looked everywhere  
I'm forever blowing bubbles  
Pretty bubbles in the air.

## ***I'll Be Seeing You***

I'll be seeing you  
In all the old familiar places  
That this heart of mine embraces  
All day through.

In that small cafe  
The park across the way  
The children's carousel  
The chestnut trees, the wishing well.

I'll be seeing you  
In every lovely summer's day  
In everything that's light and gay  
I'll always think of you that way.

I'll find you in the morning sun  
And when the night is new  
I'll be looking at the moon  
But I'll be seeing you.

## ***Goodnight Sweetheart***

Goodnight, sweetheart, well it's time to go  
Goodnight, sweetheart, well it's time to go  
I hate to leave you, but I really must say  
Goodnight, sweetheart, goodnight.

Goodnight, sweetheart, well it's time to go  
Goodnight, sweetheart, well it's time to go  
I hate to leave you, but I really must say  
Goodnight, sweetheart, goodnight.

Well, it's three o'clock in the morning  
And baby, I just can't get it right  
Well, I hate to leave you, baby  
I don't mean maybe, because I love you so.

Goodnight, sweetheart, well it's time to go  
Goodnight, sweetheart, well it's time to go  
I hate to leave you, but I really must say  
Goodnight, sweetheart, goodnight.

## ***We'll Meet Again***

We'll meet again  
Don't know where, don't know when  
But I know we'll meet again, some sunny day.

So just keep shining through  
Just like you always do  
Till the blue skies drive the dark clouds, far away.

And won't you please say hello  
To the folks that I know  
Tell them I won't be long  
They'll be happy to know that when you saw me go  
I was singing a song.

We'll meet again  
Don't know where, don't know when  
But I know we'll meet again, some sunny day  
Oh yes, I know we'll meet again, some sunny day  
Oh yes, I hope we meet again, some sunny day.
