What a Wonderful World

I see trees of green, red roses too
I see them bloom for me and you
And I think to myself what a wonderful world.

I see skies of blue and clouds of white
The bright blessed day, the dark sacred night
And I think to myself what a wonderful world.

The colors of the rainbow, so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands, saying how do you do
They're really saying I love you.

I hear babies crying, I watch them grow
They'll learn much more than I'll ever know
And I think to myself what a wonderful world
Yes, I think to myself what a wonderful world.

Repeat chorus to end

My Girl

I've got sunshine on a cloudy day
When it's cold outside I've got the month of May
Well, I guess you'd say
What can make me feel this way?
My girl (my girl, my girl)
Talkin' 'bout my girl (my girl).

I've got so much honey the bees envy me
I've got a sweeter song than the birds in the trees
Well I guess you'd say
What can make me feel this way?
My girl (my girl, my girl)
Talkin' 'bout my girl (my girl) ooh.

Instrumental with Hey hey hey ... ooh

I don't need no money, fortune, or fame
I've got all the riches baby, one man can claim
Well, I guess you'd say
What can make me feel this way?
My girl (my girl, my girl)
Talkin' 'bout my girl (my girl).

Talkin' 'bout my girl, whoa
Talkin' 'bout my girl, whoa
Talkin' 'bout my girl.

Forever and Ever, Amen

You may think that I'm talking foolish
You've heard that I'm wild and I'm free
You may wonder how I can promise you now
This love that I feel for you always will be
But you're not just time that I'm killin'
I'm no longer one of those guys
As sure as I live, this love that I give
It's gonna be yours until the day that I die.

Oh baby, I'm gonna love you forever
Forever and ever, amen
As long as old men sit and talk about the weather
As long as old women sit and talk about old men
If you wonder how long I'll be faithful
I'll be happy to tell you again
I'm gonna love you forever and ever
Forever and ever, amen.

Instrumental break

They say time takes its toll on a body
Makes a young girl's brown hair turn gray
Well, honey, I don't care
I ain't in love with your hair
And if it all fell out, well, I'd love you anyway
They say time can play tricks on a mem'ry

Make people forget things they knew
Well, it's easy to see it's happenin' to me
I've already forgotten every woman but you.

Oh darlin', I'm gonna love you forever
Forever and ever, amen
As long as old men sit and talk about the weather
As long as old women sit and talk about old men
If you wonder how long I'll be faithful
Well just listen to how this song ends
I'm gonna love you forever and ever
Forever and ever, amen.

I'm gonna love you forever and ever
Forever and ever, forever and ever
Forever and ever, amen.

Oh, Pretty Woman

Pretty woman, walkin' down the street
Pretty woman the kind I like to meet
Pretty woman I don't believe you, you're not the truth
No one could look as good as you, mercy
Pretty woman won't you pardon me
Pretty woman I couldn't help but see
Pretty woman that you look lovely as can be
Are you lonely just like me?

Pretty woman stop awhile
Pretty woman talk awhile
Pretty woman give your smile to me
Pretty woman yeah, yeah, yeah
Pretty woman look my way
Pretty woman say you'll stay with me.

'Cause I need you, I'll treat you right
Come with me baby, be mine tonight
Pretty woman don't walk on by
Pretty woman don't make me cry
Pretty woman don't walk away, hey, OK
If that's the way it must be, OK
I guess I'll go on home, it's late
Maybe tomorrow night, but wait
What do I see? Is she walkin' back to me?
Yeah, she's walkin' back to me
Oh, oh, pretty woman.

The Loco-motion

Everybody's doing a brand-new dance now
(Come on baby, do the loco-motion)
I know you'll get to like it if you give it a chance now
(Come on baby, do the loco-motion)
My little baby sister can do it with me
It's easier than learning your a-b-c's
So come on, come on and do the loco-motion with me.

Chorus

You gotta swing your hips, now, Come on, baby
Jump up, Jump back, oh well I think you've got the knack.

Now that you can do it, let's make a chain now
(Come on baby, do the loco-motion)
A chug-a chug-a motion like a railroad train now
(Come on baby, do the loco-motion)
Do it nice and easy, now don't lose control
A little bit of rhythm and a lot of soul
Come on, come on and do the loco-motion with me.

Chorus

Move around the floor in a loco-motion (Come on ...)
Do it holding hands if you get the notion (Come on ...)
There's never been a dance that's so easy to do
It even makes you happy when you're feeling blue
So come on, come on and do the loco-motion with me.

Close to You

Why do birds suddenly appear
Every time you are near?
Just like me, they long to be
Close to you.

Why do stars fall down from the sky
Every time you walk by?
Just like me, they long to be
Close to you.

Chorus

On the day that you were born the angels got together
And decided to create a dream come true
So they sprinkled moon dust in your hair and gold and
starlight in your eyes of blue.

That is why all the girls in town
Follow you all around
Just like me, they long to be
Close to you.

Instrumental

Repeat chorus and last verse and then repeat last 2 lines

Wah, close to you. *Repeat 4 times*

New York, New York

Start spreadin' the news, I'm leavin' today
I want to be a part of it
New York, New York
These vagabond shoes, are longing to stray
Right through the very heart of it
New York, New York.

I wanna to wake up, in a city that doesn't sleep
And find I'm king of the hill
Top of the heap.

These little town blues
Are melting away
I'll make a brand new start of it
In old New York
If I can make it there, I'll make it anywhere
It's up to you, New York, New York.

New York, New York
I want to wake up in a city that never sleeps
And find I'm a number one, top of the list
King of the hill, a number one.

These little town blues, are melting away
I'll make a brand new start of it
In old New York
If I can make it there, I'll make it anywhere
It's up to you, New York, New York... New York!

I Want to Hold Your Hand

Oh yeah, I'll tell you somethin'
I think you'll understand
When I say that somethin'
I want to hold your hand
I want to hold your hand
I want to hold your hand.

Oh please, say to me
You'll let me be your man
Oh please, say to me
You'll let me hold your hand
I want to hold your hand
I want to hold your hand.

'Cause when I touch you
I feel happy inside
It's such a feelin' that my love
I can't hide
I can't hide
I can't hide.

Oh yeah you, you got that somethin'
I think you'll understand
When I say that somethin'
I want to hold your hand
I want to hold your hand
I want to hold your hand.

Repeat chorus to end

Say, Has Anybody Seen My Sweet Gypsy Rose

Say, has anybody seen my sweet Gypsy Rose?
Here's her picture when she was my sweet Mary Jo
Now she's got rings on her fingers and bells on her toes
Say, has anybody seen my sweet Gypsy Rose?

I got news my Jo's been dancing here in New Orleans
In this smoke filled honky tonk, they call the 'land of dreams'
Here she comes a struttin' in her birthday clothes
Say has anybody seen my sweet Gypsy Rose?

Bridge

Oh, baby, baby, won't you come home?
Say, we all miss you, and every night we kiss your picture.

Then one night the lights go dim and the crowd goes home
That's the day you wake up and you find you're all alone
So let's say goodbye to Gypsy, hello Mary Jo
Say, has anybody seen my sweet Gypsy Rose? *Bridge*

Say, has anybody seen my sweet Gypsy Rose?
Here's her picture when she was my sweet Mary Jo
Now she's got rings on her fingers and bells on her toes
Say, has anybody seen my
Now you know just what I mean by
Has anybody seen my Gypsy Rose?

After the Lovin'

So I'll sing you to sleep
After the lovin'
With a song that I wrote yesterday
And I hope that can hear
What the words and the music have to say.

It's so hard to explain
Everything that I'm feelin'
Face to face I just seem to go dry
But I love you so much
That the sound of your voice can make me high.

Thanks for takin' me
On a one way trip to the sun
And thanks for turnin' me
Into someone.

So I'll sing you to sleep
After the lovin'
I brush back the hair from your eyes
And the love on your face
Is so real that it makes me want to cry.

And I know that my song
Isn't sayin' anything new
Oh, but after the lovin'
I'm still in love with you.

Repeat last verse then ending

Ending

Oh, after the lovin'
I'm still in love with you.
Oh, after the lovin'
I'm still in love with you.

Repeat last two lines 3 times

9 to 5

Tumble outta bed and I stumble to the kitchen
Pour myself a cup of ambition
Yawn and stretch and try to come to life
Jump in the shower and the blood starts pumping
Out on the street the traffic starts jumping
With folks like me on the job from 9 to 5.

Working 9 to 5, what a way to make a living
Barely getting by, it's all taking and no giving
They just use your mind and they never give you credit
It's enough to drive you crazy if you let it
9 to 5, for service and devotion
You would think that I deserve a fat promotion
Want to move ahead but the boss won't seem to let me
I swear sometimes that man is out to get me.

They let you dream just to watch 'em shatter
You're just a step on the boss man's ladder
But you got dreams he'll never take away
You're in the same boat with a lotta your friends
Waiting for the day your ship'll come in
And the tide's gonna turn and it's all gonna roll your way.

Working 9 to 5, what a way to make a living
Barely getting by, it's all taking and no giving
They just use your mind and you never get the credit
It's enough to drive you crazy if you let it
9 to 5, yeah they got you where they want you
There's a better life, and you dream about it, don't you?
It's a rich man's game no matter what they call it
And you spend your life putting money in his wallet.

Chorus

Rhinestone Cowboy

I've been walkin' these streets so long
Singin' the same old song
I know every crack in these dirty sidewalks of Broadway
Where hustle's the name of the game
And nice guys get washed away like the snow and the rain
There's been a load of compromisin'
On the road to my horizon
But I'm gonna be where the lights are shinin' on me.

Chorus

Like a rhinestone cowboy
Riding out on a horse in a star-spangled rodeo
Like a rhinestone cowboy
Getting cards and letters from people I don't even know
And offers comin' over the phone.

Well, I really don't mind the rain
And a smile can hide all the pain
But you're down when you're ridin' the train
that's takin' the long way
And I dream of the things that I'll do
With a subway token and a dollar tucked in my shoe
There'll be a load of compromisin'
On the road to my horizon
But I'm gonna be where the lights are shinin' on me.

Repeat chorus twice

Stop in the Name of Love

Stop! In the name of love before you break my heart
Think it over, think it over.

Baby baby I'm aware of where you go
Each time you leave my door
I watch you walk down the street
Knowing your other love you'll meet
But this time before you run to her
Leaving me alone and hurt, think it over, think it over.

Chorus

Stop! In the name of love before you break my heart
Stop! In the name of love before you break my heart
Think it over, think it over.

I've known of your, your secluded nights
I've even seen her, maybe once or twice
But is her sweet expression
Worth more than my love and affection?
But this time before you leave my arms
And rush off to her charms, think it over, think it over.

Chorus

I've tried so hard, hard to be patient
Hoping you'd stop this infatuation
But each time you are together
I'm so afraid I'll be losing you forever. *Chorus*

Annie's Song

You fill up my senses
Like a night in a forest
Like the mountains in springtime
Like a walk in the rain
Like a storm in the desert
Like a sleepy blue ocean
You fill up my senses
Come fill me again.

Come let me love you
Let me give my life to you
Let me drown in your laughter
Let me die in your arms
Let me lay down beside you
Let me always be with you
Come let me love you
Come love me again.

You fill up my senses
Like a night in a forest
Like the mountains in springtime
Like a walk in the rain
Like a storm in the desert
Like a sleepy blue ocean
You fill up my senses
Come fill me again. *Repeat last 2 lines*

We'll Meet Again

We'll meet again
Don't know where, don't know when
But I know we'll meet again, some sunny day.

So just keep shining through
Just like you always do
Till the blue skies drive those dark clouds, far away.

And won't you please say hello
To the folks that I know
Tell them I won't be long
They'll be happy to know that when you saw me go
I was singing a song.

We'll meet again
Don't know where, don't know when
But I know we'll meet again, some sunny day
Yes, I know we'll meet again, some sunny day
Yes, I hope we meet again, some sunny day.
