## ***The Glory of Love***

You've got to give a little, take a little  
Let your poor heart break a little  
That's the story of, that's the glory of love.

You've got to laugh a little, cry a little  
And let the clouds roll by a little  
That's the story of, that's the glory of love.

As long as there's the two of us  
We've got the world and all its' charms  
And when the world is through with us  
We've got each other's arms.

You've got to win a little, lose a little  
And always have the blues a little  
That's the story of, that's the glory of love.

*Repeat from beginning then repeat last line 3 times*

## ***You're Sixteen***

You come on like a dream, peaches and cream  
Lips like strawberry wine  
You're sixteen, you're beautiful and you're mine.

You're all ribbons and curls, ooh, what a girl  
With eyes that sparkle and shine  
You're sixteen, you're beautiful and you're mine.

### *Chorus*

You're my baby, you're my pet  
We fell in love on the night we met  
You touched my hand, my heart went pop  
Ooh, when we kissed I could not stop  
You walked out of my dreams, into my heart  
Now you're my angel divine  
You're sixteen, you're beautiful and you're mine.

*Piano break then repeat chorus and last line 3 times*

## ***It's Now or Never***

It's now or never, come hold me tight  
Kiss me my darling, be mine tonight  
Tomorrow will be too late  
It's now or never, my love won't wait.

When I first saw you, with your smile so tender  
My heart was captured, my soul surrendered  
I've spent a lifetime, waiting for the right time  
Now that you're here, the time is here at last.

It's now or never, come hold me tight  
Kiss me my darling, be mine tonight  
Tomorrow will be too late  
It's now or never, my love won't wait.

Just like a willow, we would cry an ocean  
If we lost true love, or sweet devotion  
Your lips excite me, let your arms invite me  
For who knows when, we'll meet again my love.

*Repeat chorus then repeat last line 3 times*

## ***Everyday***

Everyday, it's a-gettin' closer  
Goin' faster than a roller coaster  
Love like yours will surely come my way  
A-hey, a-hey, hey.

Everyday, it's a-gettin' faster  
Everyone says, "Go ahead and ask her"  
Love like yours will surely come my way  
A-hey, a-hey, hey.

Everyday seems a little longer  
Every way, love's a little stronger  
Come what may, do you ever long for  
True love from me?

Everyday, it's a-gettin' closer  
Goin' faster than a roller coaster  
Love like yours will surely come my way.

*Repeat from beginning then repeat last line twice*

## ***Blowin' in the Wind***

How many roads must a man walk down  
Before you can call him a man  
Yes 'n' how many seas must a white dove sail  
Before she sleeps in the sand  
Yes 'n' how many times must the cannonballs fly  
Before they're forever banned  
The answer, my friend, it's blowin' in the wind  
The answer is blowin' in the wind.

How many years can a mountain exist  
Before it is washed to the sea  
And how many years can some people exist  
Before they're allowed to be free  
Yes 'n' how many times can a man turn his head  
Pretending he just doesn't see  
The answer, my friend, it's blowin' in the wind  
The answer is blowin' in the wind.

How many times must a man look up  
Before he can see the sky  
Yes 'n' how many ears must one man have  
Before he can hear people cry  
Yes 'n' how many deaths will it take till he knows  
That too many people have died  
The answer, my friend, it's blowin' in the wind  
The answer is blowin' in the wind. *Repeat last 2 lines*

## ***Hello Mary Lou***

### *Chorus*

Hello Mary Lou  
Goodbye heart  
Sweet Mary Lou  
I'm so in love with you  
I knew Mary Lou  
We'd never part  
So hello Mary Lou  
Goodbye heart.

You passed me by one sunny day  
Flashed those big brown eyes my way  
And ooh I wanted you forever more  
I'm not one that gets around  
I swear my feet stuck to the ground  
And though I never did meet you before.

### *Chorus*

I saw your lips I heard your voice  
Believe me I just had no choice  
Wild horses couldn't make me stay away  
I thought about a moonlit night  
My arms around you good and tight  
That's all I had to see for me to say.

*Repeat chorus and then repeat last line 3 times*

## ***Have You Ever Been Lonely***

Have you ever been lonely  
Have you ever been blue  
Have you ever loved someone  
Just as I love you.

Can't you see I'm sorry  
For each mistake I've made  
Can't you see I've changed, dear  
Can't you see I've paid.

So be a little forgiving  
Take me back in your heart  
How can I go on living  
Now that we're apart.

If you knew what I've been through  
Then you'd know why I ask you  
Have you ever been lonely  
Have you ever been blue.

*Repeat from beginning then repeat last 2 lines*

## ***Memories Are Made of This***

(Sweet sweet memories you gave-a me)  
(You can't beat the memories you gave-a me.) *Repeat*

Take one fresh and tender kiss  
Add one stolen night of bliss  
One girl, one boy, one life, some joy  
Memories are made of this.

Don't forget a small moonbeam  
Fold it lightly with a dream  
Your lips and mine, two sips of wine  
Memories are made of this.

Then add the wedding vows  
One house where lovers dwell  
Three little kids for the flavor  
Stir carefully through the days  
See how the flavor stays  
These are the dreams you will savor.

With His blessings from above  
Serve it generously with love  
One man, one wife, one love through life  
Memories are made of this  
Memories are made of this.

## ***Where the Boys Are***

Where the boys are  
Someone waits for me  
A smiling face, a warm embrace  
Two arms to hold me tenderly.

Where the boys are  
My true love will be  
He's walking down some street in town  
And I know he's waiting there for me.

In the crowd of a million people  
I'll find my valentine  
Then I'll climb to the highest steeple  
And tell the world he's mine.

'Til he holds me  
I wait impatiently  
Where the boys are, where the boys are  
Where the boys are, someone waits for me.

*Repeat last verse*

## ***Runaround Sue***

Here's my story, it's sad but true  
It's about a girl that I once knew  
She took my love then ran around  
With every single guy in town.

Hey hey, oh-oh-oh-oh-oh  
Hey hey, oh-oh-oh-oh-oh  
Hey hey, oh-oh-oh-oh-oh, hey---  
La, la, la, la----  
Oh-----oh-oh-oh-oh-oh-oh---  
Ah-----

I should have known it from the very start  
This girl would leave me with a broken heart  
Now listen people what I'm telling you  
A-keep away from-a Runaround Sue.

I miss her lips and the smile on her face  
The touch of her hair, the girl's warm embrace  
So if you don't wanna cry like I do  
A-keep away from-a Runaround Sue.

*Chorus*

She likes travellin' around, yeah!  
She loves you then she puts you down  
Now people let me put you wise  
'Cause Sue goes out with other guys.

Here's the moral of the story from a guy who knows  
I fell in love and my love still grows  
Ask any fool that she ever knew, she says  
Keep away from-a Runaround Sue.

Yeah, keep away from that girl  
I don't know what she'll do  
Keep away from Sue, Ah-----

*Repeat chorus and verse 2*

*Ending*

Oh--- keep away from that girl  
I don't know what she'll do  
Keep away from Sue---- hey hey hey!  
Oh---- keep away from that girl  
I don't know what she'll do  
Keep away from Sue.

## ***The End of the World***

Why does the sun go on shining  
Why do the seas rush to shore  
Don't they know it's the end of the world  
'Cause you don't love me anymore.

Why do the birds go on singing  
Why do the stars glow above  
Don't they know it's the end of the world  
It ended when I lost your love.

I wake up in the morning and I wonder  
Why everything's the same as it was  
I can't understand, no, I can't understand  
Why life goes on the way it does.

Why does my heart go on beating  
Why do these eyes of mine cry  
Don't they know it's the end of the world  
It ended when you said goodbye.

*Repeat last verse speaking first two lines*

## ***Whole Lotta Shakin' Goin' On***

Come on over baby, whole lotta shakin' goin' on  
Come on over baby, whole lotta shakin' goin' on  
We ain't fakin', whole lotta shakin' goin' on.

Come on over baby, we got chicken in the barn  
Come on over baby, we got the bull by the horn  
We ain't fakin', whole lotta shakin' goin' on.

I said shake, baby, shake  
We ain't fakin' whole lotta shakin' goin' on.

*Piano break*

*Repeat from beginning then repeat the chorus*

## ***Dream a Little Dream of Me***

Stars shining bright above you  
Night breezes seem to whisper I love you  
Birds singing in the sycamore tree  
Dream a little dream of me.

Say night-ie night and kiss me  
Just hold me tight and tell me you'll miss me  
While I'm alone and blue as can be  
Dream a little dream of me.

### *Chorus*

Stars fading but I linger on dear  
Still craving your kiss  
I'm longing to linger till dawn dear, just saying this.

Sweet dreams till sunbeams find you  
Sweet dreams that leave all worries behind you  
And in your dreams whatever they be  
Dream a little dream of me.

*Repeat chorus to end*

## ***Walk On By***

If I see you tomorrow on some street in town  
Pardon me, if I don't say hello  
I belong to another, it wouldn't look so good  
To know someone I'm not supposed to know.

Just walk on by, wait on the corner  
I love you, but we're strangers when we meet  
Just walk on by, wait on the corner  
I love you, but we're strangers when we meet.

In a dimly lit corner in a place outside of town  
Tonight I'll try to say goodbye again  
But I know it's not over, I'll call tomorrow night  
I just can't let you go, so why pretend?

Just walk on by, wait on the corner  
I love you, but we're strangers when we meet  
Just walk on by, wait on the corner  
I love you, but we're strangers when we meet  
I love you, but we're strangers when we meet.

## ***Happy Together***

Imagine me and you, I do  
I think about you day and night, it's only right  
To think about the girl you love and hold her tight  
So happy together.  
If I should call you up, invest a dime  
And you say you belong to me and ease my mind  
Imagine how the world would be, so very fine  
So happy together.

### *Chorus*

I can't see me lovin' nobody but you for all my life  
When you're with me, baby the skies'll be blue  
For all my life.

Me and you and you and me  
No matter how they toss the dice, it had to be  
The only one for me is you, and you for me  
So happy together.

*Chorus then repeat last verse then Ba ba ba's then  
Repeat last verse again then ending*

So happy together, Happy together  
How is the weather, So happy together  
Ba ba ba ba ba...

## ***I Fall to Pieces***

I fall to pieces, each time I see you again  
I fall to pieces, how can I be just your friend?

You want me to act like we've never kissed  
You want me to forget, pretend we've never met  
Well I've tried and I've tried, but I haven't yet  
'Cause you walk by and I fall to pieces.

### *Piano break*

I fall to pieces  
Each time someone speaks your name  
I fall to pieces, time only adds to the pain.

You want me to find someone new to love  
Someone who'll love me too  
The way you used to do  
But each time I go out with someone new  
Well you walk by and I fall to pieces  
Yes, you walk by and I fall to pieces.

## ***If I Had a Hammer***

If I had a hammer, I'd hammer in the morning  
I'd hammer in the evening, all over this land  
I'd hammer out danger, I'd hammer out warning  
I'd hammer out love between my brothers and my sisters  
All over this land.....ooh-ooh.

If I had a bell, I'd ring it in the morning  
I'd ring it in the evening, all over this land  
I'd ring out danger, I'd ring out a warning  
I'd ring out love between my brothers and my sisters  
All over this land.....ooh-ooh.

If I had a song, I'd sing it in the morning  
I'd sing it in the evening, all over this land  
I'd sing out danger, I'd sing out warning  
I'd sing out love between my brothers and my sisters  
All over this land...ooh-ooh.

Well I got a hammer, and I got a bell  
And I got a song to sing, all over this land  
It's the hammer of justice, It's the bell of freedom  
It's the song about love between my brothers  
And my sisters, all over this land.

It's the hammer of justice, It's the bell of freedom  
It's the song about love between my brothers  
and my sisters, all over this land.

## ***Who Put the Bomp***

I'd like to thank the guy, who wrote the song  
That made my baby fall in love with me.

### *Chorus*

Who put the bomp in the bomp-bah-bomp-bah-bomp?  
Who put the ram in the rama-lama ding-dong?  
Who put the bop in the bop-shoo-bop-shoo-bop?  
Who put the dip in the dip-da-dip-da-dip?  
Who was that man? I'd like to shake his hand  
He made my baby fall in love with me.

When my baby heard  
"Bomp-bah-bomp-bah-bomp, bomp bah bomp bomp"  
Every word went right into her heart  
And when she heard them singing  
"Rama-lama-lama-lama-lama-ding-dong"  
She said we'd never have to part... so...

### *Chorus*

Each time that we're alone  
"Bomp-bah-bomp-bah-bomp, bomp-bah-bomp-bah-bomp "  
Sets my baby's heart all aglow  
And every time we dance to  
"Dip-da-dip-da-dip, dip-da-dip-da-dip"  
She always says she loves me so.

*Repeat chorus then repeat last line*

## ***I Love You Because***

I love you because you understand, dear  
Every single thing I try to do  
You're always there to lend a helping hand, dear  
But most of all I love you 'cause you're you.

No matter what the world may say about me  
I know your love will always see me through  
I love you for a hundred thousand reasons  
But most of all I love you 'cause you're you.

*Harmonica break*

I love you because my heart is lighter  
Every time you're walking by my side  
I love you because the future's brighter  
The door to happiness you've opened wide.

No matter what the world may say about me  
I know your love will always see me through  
I love you for a hundred thousand reasons  
But most of all I love you 'cause you're you.

*Repeat last 2 lines*

## ***Will You Still Love Me Tomorrow***

Tonight you're mine, completely  
You give your soul so sweetly  
Tonight the light of love is in your eye  
Will you love me tomorrow.

Is this a lasting treasure  
Or just a moment's pleasure  
Can I believe the magic of your sigh  
Will you still love me tomorrow.

### *Chorus*

Tonight with words unspoken  
You say that I'm the only one  
But will my heart be broken  
When the night meets the morning sun.

I'd like to know that your love  
Is love I can be sure of  
So tell me now, and I won't ask again  
Will you still love me tomorrow.

*Repeat chorus to end*

## ***We'll Meet Again***

We'll meet again  
Don't know where, don't know when  
But I know we'll meet again, some sunny day.

So just keep shining through  
Just like you always do  
Till the blue skies drive those dark clouds, far away.

And won't you please say hello  
To the folks that I know  
Tell them I won't be long  
They'll be happy to know that when you saw me go  
I was singing a song.

We'll meet again  
Don't know where, don't know when  
But I know we'll meet again, some sunny day  
Oh yes, I know we'll meet again, some sunny day  
Oh yes, I hope we meet again, some sunny day.
